WHAT WE PLAN TO DO THIS YEAR

- *Dawson – Canada Border Services Agency trailer*

WHAT WE PLAN TO DO THIS YEAR

Old Crow

- *Move 03 fence to remove 300' displaced threshold*

WHAT WE PLAN TO DO THIS YEAR

- *Continue with Dust Suppressant Program*
- *Install PAPIs at Faro and Mayo*
- *Install RILS at Mayo and Old Crow*

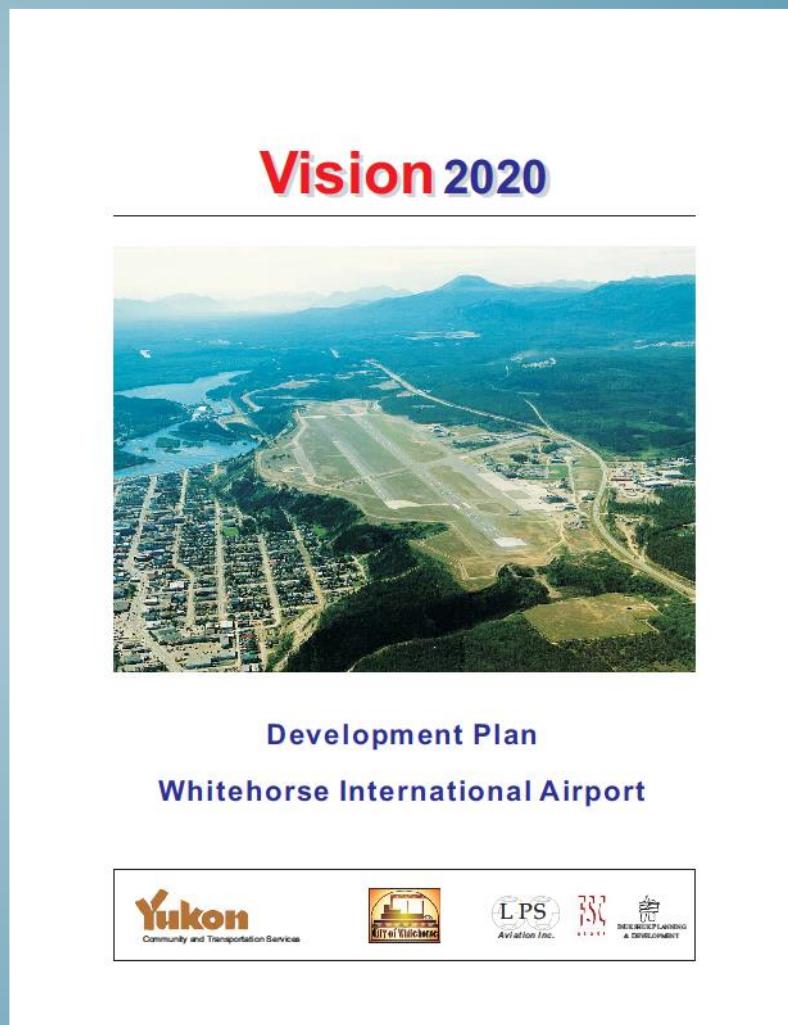

DOOR PRIZE TIME!

- *Where will the next Canada Winter Games be held on February 13- March 1, 2015?*

WHAT WE PLAN TO DO IN THE FUTURE*

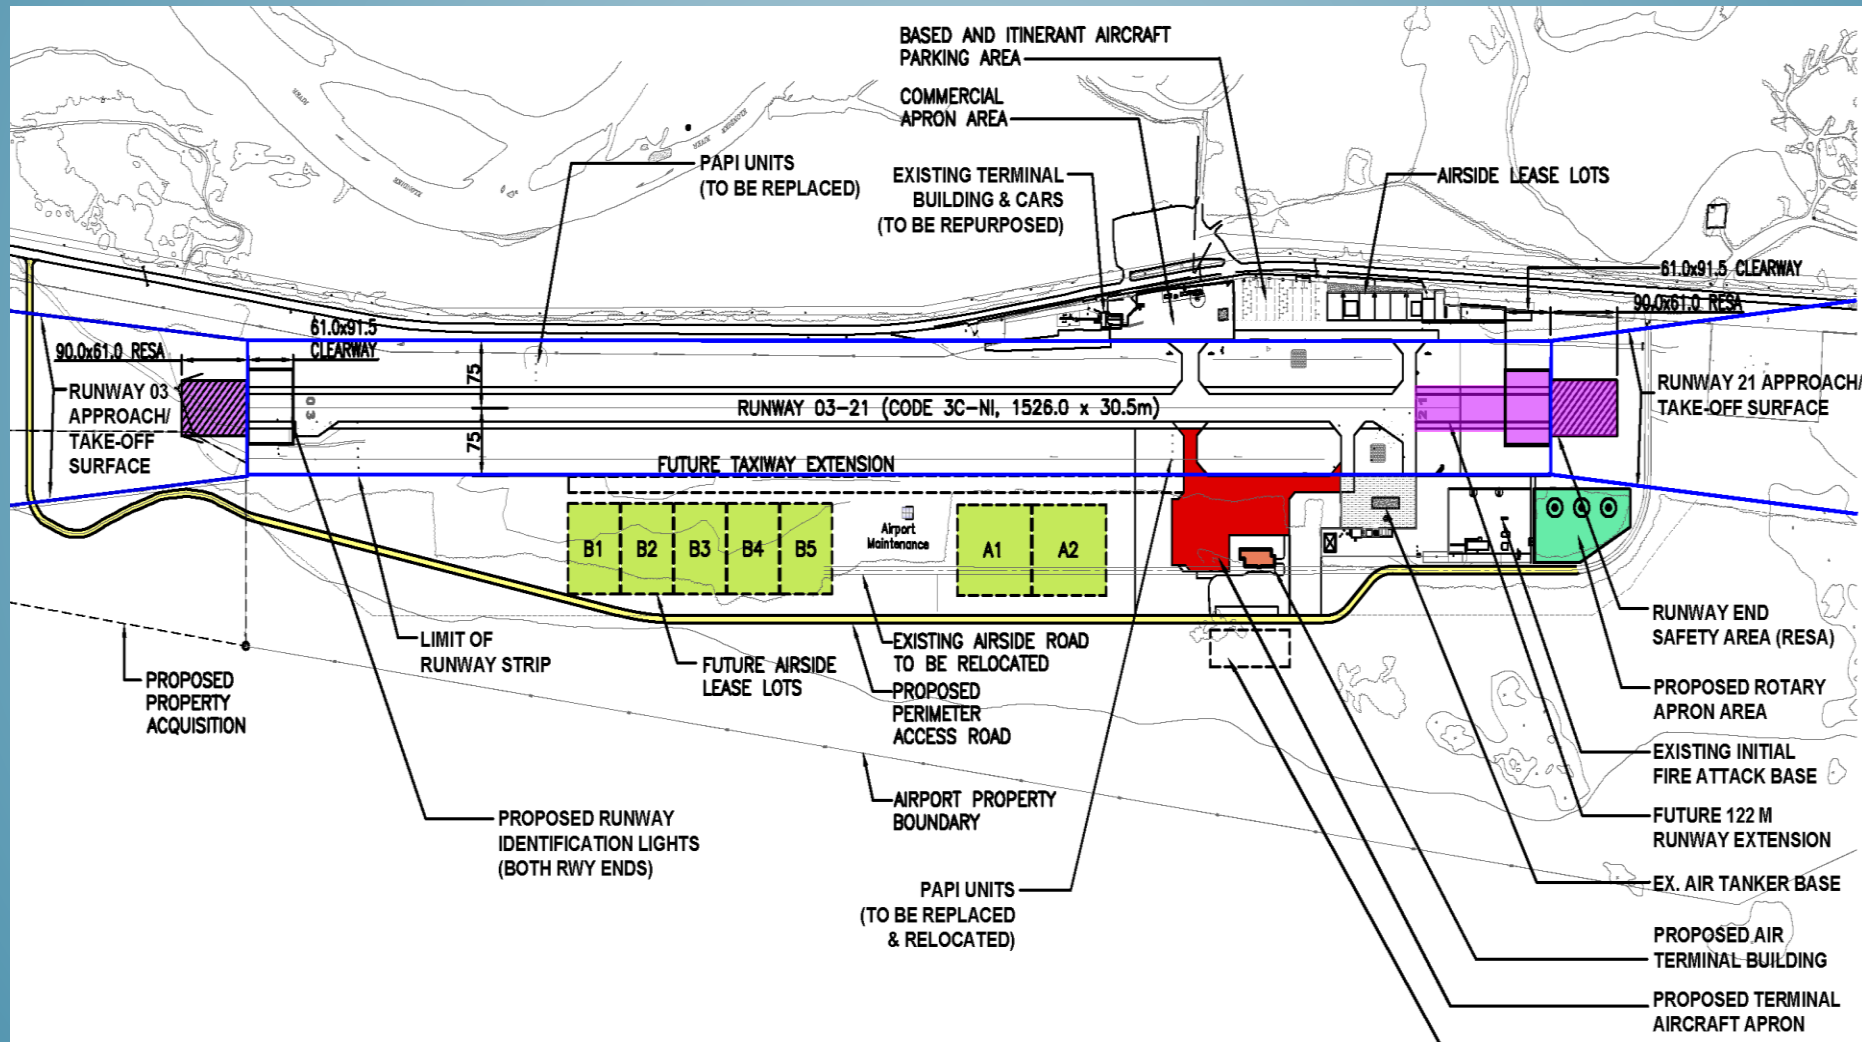

- *Update Vision 2020 – Erik Nielsen Whitehorse Development Plan*
- *Evaluate Yukon Airport System e.g. Cousins*

* Subject to funding approval by the legislature!

WHAT WE PLAN TO DO IN THE FUTURE

- Design Dawson South Side Development

WHAT WE PLAN TO DO IN THE FUTURE

Dawson City Airport Needs Analysis – next steps:

- *Schedule maintenance items that were identified.*
- *Monitor jet impacts on facility this summer.*
- *Seek \$ for other projects e.g. new ATB.*
- *Needs analysis validates 2006 recommendation that business case for paving doesn't exist.*
- *Air carriers are asked to continue working with community and others on what they need/want.*

WHAT WE PLAN TO DO IN THE FUTURE

- *Resurface Faro Runway 2014-2016*

WHAT WE PLAN TO DO IN THE FUTURE

- *Pelly Crossing Runway and apron surface upgrade.*

WHAT WE PLAN TO DO IN THE FUTURE

Watson Lake

- Review and rationalize aprons and taxiways*
- Rehabilitate aprons and taxiways in early 2020's.*

WHAT WE WISH FOR IN THE FUTURE

- *An expanded Airports Capital Assistance Program*
 - *Ties into 2013 Resolution: TC create a Northern ACAP*
 - *Broaden eligibility e.g. all certified airports*
 - *Change 1,000 pax threshold to include charter pax*
 - *Expand the funding pot*
 - ➔ *Yukon Government preparing to hire consultant to prepare applications*

**Transport
Canada**

**Transports
Canada**

WHAT WE WISH FOR IN THE FUTURE

- *New GPS approaches for Faro Airport*

WHAT WE WISH FOR IN THE FUTURE

- *Greater certainty in the CARS program*
- *This can be achieved by:*
 - *Air carriers indicate to NC their desire for the program to continue indefinitely.*
 - *Air carriers lobby NC for the CARS services they need and aren't currently getting.*
 - *YG and NC work closer on changes to the program e.g. HWOS, training.*
 - *NC indicate their long term plans for the program and individual sites.*

WHAT WE WISH FOR IN THE FUTURE

- *Recognition by air carriers that Aviation Branch has limited resources to meet their needs.*
- *Industry has to tell us where their activity is happening so we can better serve them.*
- *The greater the lead time, the better.*
- *Industry can apply to Resource Access Road Program*
 - *\$500,000 available annually for road upgrading, culvert and bridge work, and the development of airstrips and docks.*

WHAT WE WISH FOR IN THE FUTURE – NOT TOO MANY IRISH LOW COST CARRIERS

Boeing 737-800

Yours to read for
just £2.50

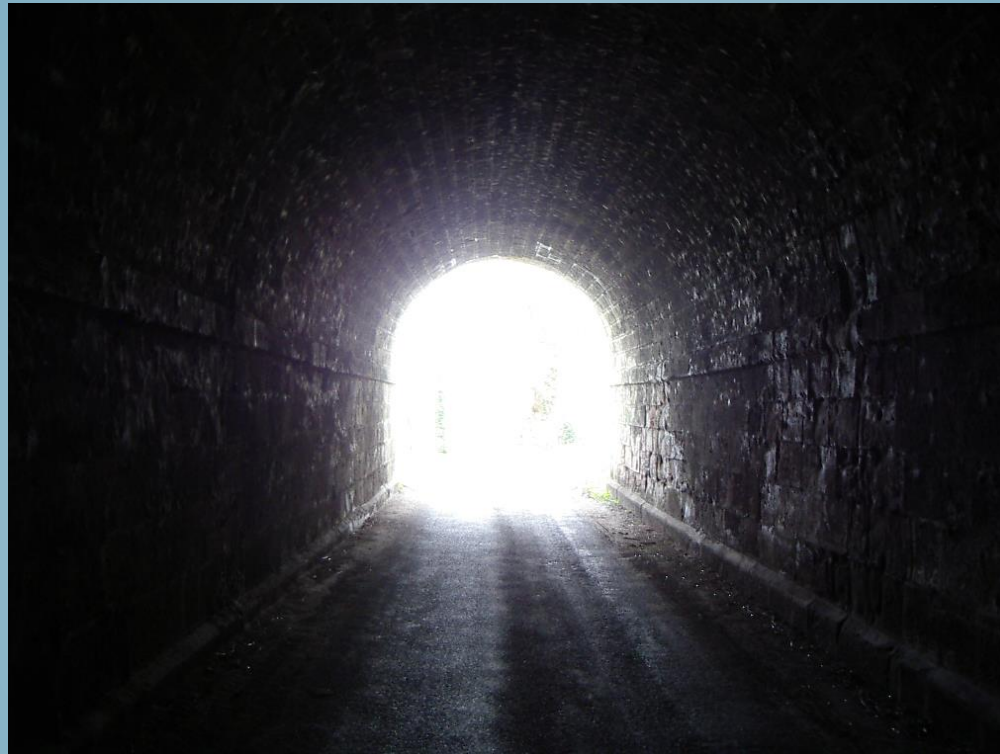

In case of pressure loss, insert £1 into slot to release oxygen mask. Secure your own mask, but do not help others. They must pay for it themselves.

LAST DOOR PRIZE!

- *Name one team from outside North America that will be coming to the 2014 Junior Men's World Softball Championship on July 11-20th in Whitehorse.*

QUESTIONS?

aviation@gov.yk.ca

Thank you!
