# Arctic Aviation Tour 2017!

# Jeopardy . . . Yukon Style

1. *The Yukon doesn't do it with the GNWT or GN at the Branch level. Ministers, DM's and ADM's may.*

## **How do we prioritize Pan-Territorial aviation infrastructure projects?**

2. *Expand the eligibility of ACAP to sites that don't have scheduled service and expand the funding pot.*

## **How can identified projects get adequate funding in a reasonable time frame?**

3. Yukon fully supports SMS. Period.

## **Safety Management Systems - Useful system or just another paper chase?**

# Jeopardy . . . Yukon Style

4. We're looking to our 3 current planning projects to tell us.

**NOTAMs, Runway Condition Reports and Aircraft types - What is on the horizon with airport and aircraft performance requirements?**

5. There is demand in the Yukon for a designation somewhere between registration and full certification.

**How can NATA's resolution regarding Airport Certification versus Registration be addressed in the North that recognizes comparable levels of safety to enable scheduled service?**

- 
-

# Jeopardy . . . Yukon Style

6. Yes.

**Is Yukon willing to notify NAV CANADA in a timely and accurate manner for Land Use Planning and for Aeronautical Information Management?**

7. Expand ACAP and other federal funding sources. Period.

**What's the best way to support Territorial gateway Airports?**
