

Introduction

Kenn Borek founded Kenn Borek Air with one twin otter in 1970. Now owning and operating 34 aircraft, Kenn Borek Air provides services worldwide on all seven continents. Kenn Borek Air is also recognized worldwide for its spectacular rescue missions, including in the Antarctic.

In recognition of its commitment to the industry, Kenn Borek Air will provide two scholarships in the amount of \$5,000 each, one for an aspiring pilot and one for a student enrolled in an aircraft maintenance training program.

The Kenn Borek Air Scholarships exist to assist Western and Northern Canadian students pursue careers in aviation. The scholarship is to be used by the successful applicant towards payment of their aviation education.

Eligibility

In order to be considered for the scholarship, applicants must demonstrate that they meet the following eligibility criteria by providing copies of documentation as described:

1. Current residency in Western or Northern Canada, specifically residency in either the Yukon, Northwest Territories, Nunavut, British Columbia, Alberta, Saskatchewan or Manitoba
 - Provide proof of residency, e.g. copy of health care card, driver's license, etc.
2. Age 18 to 30 years.
3. In pursuit of pilot or aircraft maintenance training in an aviation program at a post-secondary institution
 - Provide proof of acceptance in the aviation program at the post-secondary institution.

5. Reasonable academic achievement in the respective aviation program
 - Provide copy of academic transcripts from the aviation program.
6. Two letters of recommendation
 - Submit two reference letters indicating who they are from (employer, instructor, etc.)
7. Statement of Interest
 - Submit a composition outlining your background and what led you to pursue a career in aviation, your volunteer or community service, your long-term career aspirations, and why you think you should be the chosen recipient of the Scholarship.

Note: Kenn Borek Air retains the right to not award a scholarship if it deems no suitable candidate has applied.
