Our most popular event is back in a big way. This year's reception will be a celebration of local culture in a hybrid indoor/outdoor setting. This private event is an all-inclusive festival for our delegates & exhibitors, all the fun without the tickets!

We're making up for lost time with 3 live music acts and 3 caterers. We'll have a variety of complimentary refreshments, popcorn, cotton candy, and more. There will also be a market featuring local art, craft, and other specialty vendors. Join us as we welcome everyone back to our annual conference!

No cost to attend for delegates and exhibitors, must be registered to attend. This is a casual opportunity to connect before we start the full day program on Tuesday.
