

# DRIVING RECOVERY

## Register now for the BC Aviation Council's Conference June 5-7

The BC Aviation Council with its partner, the Prince George Airport Authority, is proud to host the BCAC June 5-7 Conference: Driving Recovery – The Operational, Economic and Social Contributions of British Columbia's Aviation and Aerospace Industries.

This year's focus will highlight the critical importance of the aviation and aerospace industries to the province's economy and workforce; specifically, what we need to do collectively to perpetuate the drive to post-COVID recovery and prosperity.

Member Rate: \$399, including the Welcoming Reception and Signature Dinner. Enjoy our conference promotional rate on accommodations and travel - visit the Conference Registration page for details. Book early for the best deals!
